Louisville, Mississippi – May 19, 2011 – Taylor Machine Works, Inc., the only United States manufacturer of forklifts with dealerships throughout the United States, welcomes Hugg and Hall Equipment Company as a dealer. Recently Hugg and Hall Equipment Company announced the acquisition of Arkla Taylor, a long time dealer for Taylor Machine Works. The dealership area will continue to remain the same under Hugg and Hall Equipment Company encompassing specific areas in five state including Louisiana, Arkansas, East Texas, Oklahoma and Southern Missouri.

“Arkla Taylor has been a vital link over the last 30 years to the success of Taylor Machine Works. The leadership of George Parkman, Arkla Taylor’s founding president, developed Arkla Taylor into one of the premiere Taylor dealerships in the country.” commented Robert Taylor, Vice President of Taylor Machine Works, Inc. “We thank George Parkman for his many years of dedicated service and focus on developing and taking care of Taylor customers in the Arkla Taylor marketplace. We are excited for the employees of Arkla Taylor that the torch is being passed to a family owned company that has the same drive and values as Taylor. We are proud to welcome Hugg and Hall in the Taylor family of dealerships and plan to continue the great relationship we have always had with the Arkla Taylor team. We will develop this relationship even further as we go forward.” Robert Taylor continued, “Congratulations and let’s sell some Big Red iron.”

John Hugg, Hugg and Hall's Chairman commented, "We think that the alliance of these two organizations, Hugg and Hall and Arkla Taylor, will be very positive for our combined customer base."

Robert Hall, Hugg and Hall's President, remarked, "Adding Arkla Taylor's products, people and locations to the Hugg and Hall family is very exciting for our company."

Hugg and Hall Equipment Company is headquartered in Little Rock, Arkansas and provides sales, rentals, parts and service for a variety of new and used equipment, including the Taylor brand. In addition to Hugg and Hall Equipment Company, Taylor Machine Works has over 25 dealerships, each having numerous dealership locations, across the United States, Canada and in international markets abroad.
